Language of Flowers: Iris, Wisdom and Valor

Every day she takes her sword, a gift from her father, and practices. Goes through careful steps. Every day, without fail, she trains. Her sword never leaves her side, it becomes natural in her hands.

Her father teaches her what he knows. But he only knows so much.

When she is twelve, she goes to her parents and asks for what she wants more than anything in the world: To train as a knight of the realm.

She knows what she wants. She knows how to get it. She stands with fire in her eyes.
